THIS NOTICE IS PROVIDED IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT. THIS NOTICE DOES NOT GRANT COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF COVERAGE UNDER THE POLICY. IF THERE IS A CONFLICT BETWEEN THIS NOTICE AND THE POLICY, THE PROVISIONS OF THE POLICY SHALL APPLY.

DISCLOSURE PURSUANT TO TERRORISM RISK INSURANCE ACT

SCHEDULE

Disclosure of Premium:	
Total Terrorism Premium	\$7255
Fire Following Premium	\$53
Other than Fire Following Premium	\$7202

Disclosure of Terrorism Coverage Available

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from "acts of terrorism" defined in Section 102(1) of the Act as follows:

Any act or acts that are certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States' government by coercion.

The premium charged for this coverage is provided in the **SCHEDULE** above and does not include any charges for the portion of loss that may be covered by the Federal Government as described below. This premium has been added to your policy and unless this form is signed and returned to us to reject terrorism coverage, coverage for Certified Acts of Terrorism is provided by your policy.

Your policy may contain other exclusions which could affect your coverage, such as an exclusion for Nuclear Events or Pollution. **Please read your policy carefully.**

Note for Commercial Property or Commercial Inland Marine Policyholders in Standard Fire States:

CA, ME, MO, OR, WI for Property and Inland Marine Coverage

GA, HI, LA, IL, NC, NJ, NY, RI, WA, WV for Property Coverage

CT for Property Coverage for Condominiums only

AZ for Property Coverage for four or less Residential Dwelling Units only

In your state, terrorism exclusions make an exception for (and therefore provides coverage for) fire losses resulting from an act of terrorism. If you reject the offer of terrorism coverage in this form, therefore, that rejection does not apply to fire losses resulting from an act of terrorism. Coverage for such fire losses will be provided in your policy.

Disclosure of Federal Participation in Payment of Terrorism Losses

The United States government through the Department of the Treasury may pay a share of terrorism losses insured under the federal program under a formula set forth in the Act. Under this formula, the United States government generally reimburses the following percentage of covered terrorism loss which exceeds the statutorily established deductible paid by the insurance company providing the coverage: 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019; and 80% beginning on January 1, 2020. However, if aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

Cap on Insurer Participation in Payment of Terrorism Losses

If the aggregate of insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion dollars in a calendar year and we have met our insurer deductible under the Act, we will not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion dollars. In such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

REJECTION OF TERRORISM INSURANCE COVERAGE*

- ☐ I decline to purchase terrorism coverage for certified acts of terrorism. I understand that I will have no coverage for losses resulting from certified acts of terrorism, and that an exclusion for such losses will be added to my policy.
